

Northumberland Photo Training Covid 19 statement:

My PhotoWalks meet all current UK government regulations for outdoor activities. They have been risk assessed and have been accredited to Visit Britain's "Good To Go" standard.

We will maintain social distance at all times and will remain outdoors for the duration. Our route will avoid gates or other common contact points where possible but hand sanitiser will be available. You may prefer to bring your own. Face coverings are not required but you're welcome to wear one if it makes you comfortable. I will not be wearing a face covering as it is difficult to community effectively wearing one.

The Northumberland coast is a quiet, peaceful and safe area and I will endeavour to make you feel safe at all times. If at any time you are uncomfortable please let me know straight away
